

Reviews for *AFRICA*

The New York Times

"...might change the way you think about photography."

- *The New York Times*, December 2006

Wanderlust™

"the most impressive collection of African wildlife photography we have come across." –
Wanderlust magazine, UK Oct 2006

DAILY EXPRESS

"If ever a book could take your breath away, this is the one."

- *Daily Express*, UK 26 Aug 2006

CAPE TIMES

"Poliza has taken wildlife and landscape photography to a new level..."

- *Cape Times*, 22 Sept 2006

Voted to be part of "The Best Coffee-Table Books of 2006" by
- Good Morning America ABC-TV, Dec 2006

"Technically, many of the shots are breath-taking and very inspirational.
Photography Monthly, UK, Sept 2006

"... full of magnificent, brilliantly observed vignettes, each one captured with the timing of a master."
- *Travel Africa* magazine, UK & SA, Summer 2006

"... this really surpasses anything that has passed through my hands."
- Russel Friedman, Wilderness Safaris

"Is this the best book of African wildlife photography ever published? We think it's the cat's whiskers."
- *Msafiri* magazine, Kenyan Airways, October 2006

"...evokes the smells, heat and drama of Africa's wildlife and wild places.
- *Africa Geographic*, November 2006
